

Friday Lunch Networking Group (FLN) Application Form

Objectives and values

Our collective objective is to promote, support and grow each other's businesses by making positive referrals through our individual business and personal networks, attracting visitors to group meetings and events, and encouraging new members. This is achieved by regular attendance at meetings and actively supporting group promotional events.

Our core values are centred around mutual trust and respect, and we embrace a structured but informal approach to our meetings. We operate a Committee comprising 6 members and review the effectiveness of this structure on a regular basis.

Membership and fees

We work on the basis of one member per profession or business service. However, there are no restrictions placed on visitors to meetings as it is important that judgements are not made regarding membership without meeting visitors and fully understanding the service offerings that they provide.

Visitors may attend three meetings before being asked to consider membership. Visitors are charged £20 for each visit which covers lunch and networking fees.

Applications are discussed within the group and final decisions regarding membership are made by the Committee. Membership fees are set out below:

- **Joining fee** - £100 one off payment (non-refundable)
- **Monthly lunch fee** – £40 per calendar month (payable by standing order)*

** If the monthly lunch fee is paid in advance as a lump sum, the charge is £420 for a 12 month period (equating to £35 per calendar month). This fee is non-refundable in the event that a member leaves part way through the year.*

Members are encouraged to nominate substitutes when they cannot attend a meeting to ensure that meetings are fully supported and members' businesses are consistently represented.

Data protection and privacy

Member contact data is shared within and outside of the group for the purpose of making business referrals. Please contact a member of the FLN Committee if you would like to discuss this matter further.

Application details

I have read and understood the information set out above and I like what I see! Please accept my application to become a member of Friday Lunch Networking. My details are:

Name:		Mobile no:	
Company name:		Office no:	
Profession / service offering		Email address:	
Website URL:		Preferred payment method:	Monthly standing order OR advanced lump sum
